At the traffic lights in 1.3 miles (St George's URC church on R) go straight ahead for about 100 yds to public car park on L - free after 6.00pm.

USING SATNAV

Postcode for SatNav **TS26 9HL**. If using a SatNav this is likely to bring you a slightly different route, approaching the junction by the church from the N rather than the W. Be aware that when approaching the traffic lights from the car park on your return journey there is no R turn, you need to follow Park Rd 1.3 miles to the junction of Wooler Rd and turn R.
