

RECOMMENDED ROUTE TO HEATON METHODIST CHURCH

Travelling east on the Coast Road (A1058) there is no right-turn into Heaton Road at the Corner House (PH) junction.

Instead, exit the Coast Road at the next intersection (Chillingham Road A188), turn right onto the overpass and return to the Coast Road (now travelling west).

Turn left before the Corner House PH into Heaton Road.

Parking near the church in Simonside Terrace is not recommended, but there are spaces between domestic driveways in Heaton Road. As always, please respect residents by not causing obstructions.
