Passing a park on right at the end of which is a 'War Memorial' turn immediately L into Southey Street (one way street). Church is the second block on the R opposite Shorley Lane.

Parking on Southey Street will be difficult; there is some parking at the side of the church but, especially if you are spending some time in Keswick, there are two car parks bearing slightly R ahead past the junction of Southey Street. The first on the L is only 2hrs max. The second on the R, but poorly signposted on Otley Road, is long stay. Charges on both car parks are all day, £7.40 for 6 hours.
